

Discovery. Diversity. Distinction.

Meetings & Events

- ✓ Guests should complete the Daily Health Screening [Questionnaire](#) in advance of coming to campus. If the screening questionnaire results in the guest receiving a red X, the guest should not attend the event.
- ✓ If guests become ill within two (2) days after the event, they must notify the event host. The host will then contact the campus Office of EHS/Risk Management at 559.278.6910 or via ehsrms@listserv.csufresno.edu
